About Wohlenberg

- Founded in 1946
- Based in Verden, Germany, one hour South of Hamburg
- Global leader in high quality Perfect Binders
- Invented the first in-line Three Knife Trimmer and Perfect Binding system
- Exclusively represented in North America by Best Graphics

Wohlenberg History

- 1946 – Founded in 1946 after World War II
- 1982 – The innovative Golf 12/18 perfect binder forms the basis of Wohlenberg Perfect Binding technology
- 1985 – Patented the first Three Knife Trimmer
- 2007 – Move to newly built, modern company headquarters in Verden, Germany
- 2012 – Development of PUR based nozzle system, “QuickJet”
- 2013 – Started production of the 7,000 cycle/hr. Vento Perfect Binder
- 2014 – Development of Trim-Tec 60e three-knife trimmer with optimized drive times in dynamic-drive technology
- 2017 – Quickbinder now available in 3 editions; digital edition with Delta 10 function allows processing of different thicknesses from book to book
