

COUNT-WISE T

Sheet Counter & Batch Tabber

The Count-Wise T (Touch Screen) line has all the same capabilities as our standard line of counters with the added feature of a “**Security Count**” mode for *absolute* count verification. Combined with our new touch screen operator interface, the CW-T gives you complete control over all your counting needs at your finger tips. With options such as a label printer or PC connection you will have the ability to track every stage of your job from start to finish.

Applications:

- Fast, accurate counting
- Fast, accurate tabbing
- Quantity verification
- Numeric verification
- Stop overages and shortages
- Speed up production times
- Check supplies

Standard Features:

- Counting speeds of 2500 CPM*
- Tab insertion from 5 – 9999
- Counting range from .14lb up to .010*
- One button initiation
- Security Clamp with Key Release
- Minimal maintenance
- PLC controlled
- Modular construction
- Large color touch screen display

*Dependent on material quality, substance condition, coating & texture
