Fenimore Manufacturing

“Add on $$ Profit $$ with Fenimore Manufacturing Add-Ons!”

1
Fenimore Auto Punch

No more separate trips to off-line drilling-trips that just add time and labor cost to finishing jobs that require holes. Just roll up a Fenimore Auto Punch to the delivery end of folders, collators, saddlebinders, even machines with angular deliveries such as the Harris Multi-binder or the Heidelberg Omni-binder and of course other Fenimore Add-On's. 1/8” Capacity.

- Fenimore offers various hole sizes and configurations.
- Our punch units are available with calendar punching.

Optional 60” Belt Delivery

Optional Long Entry

2
Fenimore Signa Punch

For Other, Contact Sales
- Delivery: 30” (762 mm) length.
Solid Steel Pieces

Our master die holder is made from a solid 2.5 x 2.5 piece of steel. This assures us of the rigidity and durability that we expect.

Fenimore Clutch System

Make ready is a snap. Our exclusive Fenimore Clutch System is the heart of our designs. It enables you to simply roll up to a wide variety of folders, collators, saddlebinders and other finishing equipment without any mechanical or electrical connection required.

Superior Quality Pins

Our Punch Pins are so superior, the process is our top secret. They are made in sets and can be installed in minutes. Sizes 1/8 to 1/2 and metric.
