

Marathon

The Marathon has the ability to produce a variety of layouts. The construction of the Marathon Folder/Gluer has made it the leader in its class. The unique folding plate coupled with the Tipper Plate sets the Marathon in a class by itself. The pulse control feeding mechanism and electronic pile height controlled feeder are just the beginning of a revolutionary pocket folder.

Features:

- Moll automatic fold roll settings
- Tipper Fold Plate with dual anti-marking rollers which allow for heavier stocks to be folded
- Moll super-grip fold rolls and stainless steel buckle fold plates and formers
- Unitized steel frames and DC speed control
- Optional bottom fold plate
- Dual pump system
- Dial-A-Stack
