ABOUT APR SOLUTIONS

Company Overview

- › Founded in 2015 by industry veterans with over 20 years of experience in finishing converting
- › Headquartered in Rondissone, Italy – approximately 1 hour West of Milan
- › Specializes in the development and production of Taping Machines & Folder Gluers tailored for the finishing and packaging industry – with a new focus on serving the e-commerce market
- › Offers solutions for applying adhesive tapes and double-sided tapes in industrial settings
- › Expanded capabilities in 2020 through the acquisition of Saroglia, an Italian brand with a century-long history of manufacturing Die Cutters and Foil Stampers
- › Machines designed to serve both the traditional printing finishing sector and the rapidly growing packaging industry.

**RONDISSONE,
ITALY**
