# ABOUT SAROGLIA

## Company Overview

- › Established in 1911
- › APR Solutions, an existing Best Graphics partner, acquired the company in 2019 and rebranded it as “Saroglia by APR Solutions”
- › Redesigned with “State of the Art” mechanical, electrical, and safety upgrades
- › New generation Saroglia machines retain the original’s simplicity of set up, extreme mechanical strength, proven durability and reputation for producing very high quality die cut, embossed, and stamped product
- › Provide an unequaled combination of quality, productivity, performance and value
- › Over 300 machine installs in the U.S. and Canada

**RONDISSONE,  
ITALY**

# SAROGLIA HISTORY

## *Company Overview*

**1911** – Company Founded

# FUB & FUB GOLD

## *Machine Overview*

Manufactured in Italy, Saroglia machines are available as either a Die Cutter (FUB) or as a Die Cutter with Foil Stamping and Embossing capabilities (FUB Gold).

Both models feature a B-2 size, 23" x 30" sheet size with retractable automatic feeder for easy operator access and very quick makeready. Perfect for the growing digital market, or complementing your existing 40" die cutting equipment for specialty stamping, embossing and thicker paper board, corrugated and plastic substrates up to .20" (5mm) thick.
