Best Graphics – Since 1977

Best Graphics is North America's largest independent importer and distributor of Pressroom, Bindery, Finishing, and Packaging equipment. Our portfolio includes 20 product lines from world-class manufacturers in the United States, Germany, Japan, Italy, Canada, South Korea, China, Taiwan, Israel, and the United Kingdom. Best Graphics also has a dedicated service department with factory-trained staff and maintains a fully-stocked parts inventory.

Hesitant to purchase new equipment due to uncertainty of how long the job will last? Best has you covered! If you buy a machine from us and no longer require it at a later date, we'll buy it back. Keep reading for policy terms.

Buy Back Valuation

Best Graphics' buy back valuation of the purchase of new equipment is as follows:

- 10% deduction
- 1.5% depreciation per month for first (18) months
- 1% depreciation per month after (18) months
- Poor machine condition may cause further deductions

Removal & Logistics

- Dismantle is responsibility of Best Graphics
- In the event that rig out is required, the expense is the responsibility of the customer
- Cost of shipping to the Best Graphics' facility will be equally shared between Best Graphics and the customer
