

# Pile Turner

- ▮ Pile Turners are to turn the pile paper on the pallets or change the pallets while paper in pile. This machine not only increases the efficiency, but also reduces the occupational hazards.
- ▮ Functions: Turning, jogging, Airing and aligning.

## Machine Dimensions

SPECIFICATIONS			LG-T120AJ
A	Max. Pile height	mm	1350
B	Min. Pile height	mm	630
C	Platform width	mm	1350
D	Platform length	mm	900
Hydraulic motor		Kw	1.5 (2HP)
Vibration motor		Kw	0.45 (0.5HP)
Air motor		Kw	3.75 (5HP)
Carrying Power		kgs	1000
Measurement		mm	2060 x 2530 x 1760
Machine Weight		kgs	1600
